Invitation

The organizing committee is pleased to invite you to the First CME of the IAPP Haryana State Branch on 11th August 2019.

The theme has been chosen keeping in mind that every child is unique and important. The CME shall cover topic related to child psychiatry and the challenges encountered in practice. It is believed that the event shall contribute immensely in promoting knowledge in the field of mental health.

We take this opportunity to formally invite you to this event.

The registration is free but compulsory, can be done by sending a message of participation by Whatsapp or SMS to 9466188888.

Kindly grace the occasion and be a part of this scientific event.

We will be looking forward for your presence and participation to make this event a success.
